

**Agenda for 5th Advisory Board Meeting
Early Childhood Outcomes (ECO) Center
January 10 and 11, 2008**

Objectives for the Meeting:

1. Update advisors and invited guests on the major developments and activities related to the collection of child and family outcome data that have occurred since the ECO Center was funded, with an emphasis on activities of the last year.
2. Share insights from ECO Center on how the effort to build a national data collection system for child and family outcomes is progressing.
3. Solicit input on future directions for what needs to happen nationally and in the states for the production and use of high quality data on children and families and identify which of these ECO should address by October 2008.
