Western Michigan University

A special thanks to the families and teachers in our video clips for allowing us to share their experiences.

Module: **Assessment of Infants and Toddlers
With Visual Impairments**

Module Overview

Assessment of Infants and Toddlers With Visual Impairments was developed by the Early Intervention Training Center for Infants and Toddlers with Visual Impairments, FPG Child Development Institute, University of North Carolina at Chapel Hill (UNC-CH) and is protected by United States copyright laws and international treaty provisions.

UNC-CH reserves the right and title to these resources and all subsequent copies. The structure and organization of these resources are assets of UNC-CH and are licensed to you on a non-exclusive basis. You may not sell, rent, lease, or otherwise transfer the application and accompanying text, electronic, and multimedia resources to any person or entity. The PDF, Word, and PowerPoint resources may be printed, duplicated, and distributed for use with students and workshop participants. This agreement shall be interpreted under North Carolina law, and North Carolina courts shall have jurisdiction over any disputes.

These resources comprise the first in a series of four sessions of the *Assessment of Infants and Toddlers With Visual Impairments* module produced with the support of the United States Department of Education, Office of Special Education Programs (Cooperative Agreement # H325B000003).

Developed by the Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, University of North Carolina at Chapel Hill, United States of America
