

**Module: Developmentally Appropriate Orientation and Mobility**

---

**Session 1: Foundations of Developmentally Appropriate Orientation and Mobility**

**Handout List**

**Handout A**

EIVI Training Center. (2004). *Orientation and mobility vignettes, Session 1*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout B**

EIVI Training Center. (2003). *Mission and roles of professionals from different disciplines*. In D.D. Hatton, R.A. McWilliam, & P.J. Winton, *Family centered practices for infants and toddlers with visual impairments* (participant packet, pp. 29-38). Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout C**

EIVI Training Center. (2003). *Techniques that facilitate role release within transdisciplinary model*. In D.D. Hatton, R.A. McWilliam, & P.J. Winton, *Family centered practices for infants and toddlers with visual impairments* (participant packet, pp. 111). Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout D**

Anthony, T.L. (2004). *The role of the OMS with infants and toddlers*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout E**

Brown, C. (2004). *A guide for teachers and therapists working with my child*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout F**

Lowry, S.S. (2004). *Strategies that facilitate independent movement in daily routines*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout G**

Lowry, S.S. (2004). *Ways to facilitate ease of movement*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout H**

Sapp W. (2004). *Hand searching in infants and toddlers: Suggestions for parents and caregivers*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout I**

Sapp W. (2004). *Hand trailing for toddlers*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout J**

Sapp W. (2004). *Upper body protection for toddlers*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout K**

Sapp W. (2004). *Guide techniques for toddlers*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout L**

Lowry, S.S. (2004). *Potential advantages and disadvantages of adaptive mobility devices versus long canes*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout M**

Lowry, S.S. (2004). *Determining when a mobility device is appropriate*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout N**

Sapp W. (2004). *Adaptive mobility devices and canes for toddlers: Suggestions for O&M specialists*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.

**Handout O**

Anthony, T.L. (2004). *Historical timeline of events and publications related to O&M for children ages 0-5 years with visual impairments*. Chapel Hill, NC: Early Intervention Training Center for Infants and Toddlers With Visual Impairments, FPG Child Development Institute, UNC-CH.
