| Facilitating Trust | OM 1-04 | 43 sec | 1 min, 23 sec |
| Facilitating Unrestricted Movement | OM 1-05 | 2 min, 59 sec | 5 min 39 sec |
| Independence and Use of Mobility Devices | OM 1-06 | 47 sec | 1 min, 19 sec |

Defining Mobility OM 1-01

This video clip from *Can Do! Video Five, Going Places: Orientation and Mobility*, produced by Visually Impaired Preschool Services in Louisville, KY, discusses the importance of good mobility skills for children and adults with visual impairments.

Facilitating Developmentally Appropriate Orientation and Mobility OM 1-02

This video clip from *Can Do! Video Five, Going Places: Orientation and Mobility*, produced by Visually Impaired Preschool Services in Louisville, KY, discusses developmentally appropriate activities for facilitating orientation and mobility skill development in young children.

The Role of the OMS OM 1-03

In this video clip, an OMS assesses Jasmine, a preschooler with septo-optic dysplasia, and provides an early childhood specialist with information on how to facilitate Jasmine’s cognitive and motor and movement development.

Facilitating Trust OM 1-04

In this video clip, an OMS facilitates trust and attachment with Jasmine, a toddler with septo-optic dysplasia, while assisting Jasmine in appropriate transitional movements.

Facilitating Unrestricted Movement OM 1-05

Austin, a toddler with optic nerve hypoplasia, explores a car as his mother and TVI observe him.

Independence and Use of Mobility Devices OM 1-06

This video clip from *Can Do! Video Five, Going Places: Orientation and Mobility*, produced by Visually Impaired Preschool Services in Louisville, KY, discusses the importance of independence and early mobility devices for young children with visual impairments.
