

Teaching with Technology

Facilitator: Debra Torrence

Objectives:

- Share information about a model for internet-based course delivery (CONTACT)
- Discuss barriers and supports for distance learning
- Offer a variety of resources that can support early childhood faculty, personnel and students in using distance learning resources and opportunities

Handouts:

- Teaching with Technology (PowerPoint slides + notetaking outline)
 - For a copy of this PowerPoint presentation, email Debra Torrence (torrence@mail.fpg.unc.edu) or Camille Catlett (camille@unc.edu)
- Torrence, D., Powell, S. & Doig, S. (2002). *A guide to distance learning for early childhood students in North Carolina*. Chapel Hill, NC: FPG Child Development Institute.
